Subject: Microsoft Settlement

Hello,

My name is Thomas P. Taggart, and i am a 19 year-old student at Penn State university. Having followed parts of the Government's Anti-trust case against Microsoft, I am appalled to know that the court system, and our government would agree to such a settlement. It is a very horrible idea, that should not proceed any further.

I put my faith in our government to listen to the people, and what they feel should be down with this settlement.

Yours,
Thomas P. Taggart
